MINNESOTA MARINE  
ART MUSEUM

7TH GALLERY  
COMPREHENSIVE PLAN

2023-26

- 01 - RIVERWALK ENGAGEMENT PROJECT - A .25 mile trail with 10 interpretive stops that explore the riparian native plants unique to the region and Dakota cultural landscapes as expressed through augmented reality by Marlena Myles (Summer 2023).
- 02 - CLEAN WATER AND CLIMATE ROOFTOP PROJECT - Featuring an integrated rainwater catchment system and 335kW rooftop solar array (Summer 2025).
- 03 - EXPLORE OUTDOOR HUB - An outdoor pavilion for community members to check-in / check-out bikes, snowshoes and other outdoor activities used to explore the Museum's seven acre riverside site and adjacent locations (Summer 2024).
- 04 - EV CAR CHARGING SITE - An electronic vehicle charging station (Summer 2025).
- 05 - RIVERSIDE ART MURAL - A riverside artist mural - viewed from the water - that reflects the Museum's three key identities - (1) great art inspired by water, (2) exploring the boundaries of what marine art is, since 2006, and (3) water is life (Summer 2024).
- 06 - NATURE PLAY AREA - A nature play area, featuring natural objects from the Driftless region restaged as an exploratory experience for all ages and abilities (Summer 2024).
- 07 - SAUNA / SOAKING AREA - A restorative water immersion experience and public bathhouse (Summer 2026).
- 08 - RIVERSIDE BOATHOUSE, DOCK AND LIVERY - Providing river access for recreational opportunities, educational classes, and opportunities to get on the water (Summer 2026).
- 09 - STILTED STUDIOS - Reflecting the vernacular houseboat culture, these modern interpretations stilted out over the river are designed for resident artists, teaching instructors, and visitors for overnight stays on campus (Summer 2026).
- 10 - BOTTOMLANDS FOREST CANOPY WALK- A fully ADA accessible stilted boardwalk experience that brings you through the Museum's adjacent natural wildlife area, featuring art installations, a place to bird, bike and contemplate (Fall 2026).
- 11 - GALLERY ONE RIVERSIDE CAFE AND RESTAURANT - A 2,000 sq ft dining space overlooking the Mississippi River (Spring 2026).
